

WYMAN

TREASURY DEPARTMENT

WASHINGTON

CD

March 22, 1910.

Assistant Surgeon Lawrence Kolb,  
Reedy Island Quarantine Station,  
Via Port Penn, Del.

Sir:- (Through Medical Officer in Command)

The Bureau is in receipt of your communication of the 21st instant requesting to be given the opportunity of taking the course of instruction in the Hygienic Laboratory when the exigencies of the Service will permit.

In reply, you are informed that it is the policy of the Bureau to have as many of the junior officers as possible receive instruction in the Hygienic Laboratory, and the request contained in your letter will be borne in mind in making future details.

Respectfully,

*Walter Wyman*  
Surgeon-General.
