Dr. Lee K. Frankel,
Metropolitan Life Ins. Co.,
1 Madison Avenue,
New York City.

Dear Dr. Frankel:

I wish to acknowledge with very deep appreciation your letter of June 2nd, stating that the Metropolitan Life Insurance Company is prepared to finance a study of the activities of various health departments throughout the country to the extent of a maximum of \$5,000, and that it is the desire of your company that this study be made under the auspices of the American Public Health Association, and through a special committee to be appointed by the President. In anticipation of this action by your company I have been authorized by the Executive Committee to appoint such a committee as you suggest in the event that the appropriation for the aforesaid purpose be made.

I am notifying the Secretary of the Association of the appointment of the following committee:

Prof. C.-E. A. Winslow,
School of Medicine,
Yale University,
New Haven, Conn.

Dr. Chas. V. Chapin,
Superintendent of Health,
Providence, R. I.

Dr. Louis I. Dublin, Statistician,
Metropolitan Life Ins. Co.,
New York City

Dr. W. H. Frost,
School of Hygiene & Public
Health, Johns Hopkins,
Baltimore, Md.

with the request that he notify this committee of their appointment.

As President of the A. P. H. A. I wish to express the official thanks of the Association for the interest of
