Dear Francis

Thanks for your note. Also my congratulations

concerning Churchill - All of us are quite pleased that

again you will be near students!! Now I am reading

exams and find frequent questions from your ~~lectures~~ ^{lectures} about

the Dogma. Francis Gros is here and we are quite busy

with ribosomes. both P.A. incorporation and RNA synthesis

as revealed by pulse experiments. also hopes of understanding

TZ RNA. All of us will be here the week before the

Golden Conf. are look forward to your visit

see you soon
