TO : HRP Executive Staff

DATE: January 17, 1975

FROM : R. L. Peterson *RP*

SUBJECT: HRP Executive Staff Meeting - January 6

This was a brief meeting. In addition to the news that the President had signed P.L. 93-641, the National Health Planning and Resources Development Act of 1974, on Saturday, January 4, the following items were noted.

- \* The meetings scheduled to be held on Tuesday, January 7, with constituent program and public interest group (e.g., Conference of Governors, NACO, NARC) representatives, and on Thursday, January 9, with provider group representatives
- \* Also the four scheduled regional HRP orientation meetings this month, the first of which will be held in Atlanta, January 13-14.
- \* The BHP&RD organization proposal is moving forward through channels and hopefully will be approved within a matter of weeks.
- \* There are a substantial number of minor errors in the Act which will require technical amendments. Libby Merrill is serving as the collection point for those.

No meeting was scheduled next Monday because of the Atlanta session. HRP executive staff will meet the following Monday, January 20 at 9 a.m., however.
