Commonwealth of Massachusetts.

*By the Councillors of the Massachusetts Medical Society
to George Hayward and others, Fellows of said
Society, greeting:*

YOUR application, made in due form, requesting that a District or subordinate Medical Society might be instituted, to consist of Fellows of the Massachusetts Medical Society, residing in Boston and Chelsea in the County of Suffolk, was duly considered at a Meeting of the Councillors, held at Boston on the twenty-ninth day of May, 1849; and it was thereupon voted that your request should be granted.

Be it therefore known, That, pursuant to an Act of the Legislature of the Commonwealth, entitled "An Act in addition to an Act, entitled 'An Act to incorporate certain persons by the name of the Massachusetts Medical Society,'" authorizing the Councillors of said Society thereunto—a District or subordinate Society, by the name of Suffolk District Medical Society, is hereby established, to consist of those Fellows of the Massachusetts Medical Society now resident within the District aforesaid, for the purpose of choosing officers, and transacting such other business as they shall deem expedient.

In testimony whereof, the President, pursuant to the aforesaid vote of the Councillors, has hereunto subscribed his name, and affixed the seal of the Corporation, at Boston, this twenty-sixth day of July, A.D. 1849.

JOHN WARE, *President.*

HENRY I. BOWDITCH, *Secretary.*

[L. s.]

BY-LAWS.

I. THE SUFFOLK DISTRICT MEDICAL SOCIETY consists of all the members of the Massachusetts Medical Society who reside within the Suffolk District.

SECTIONS.

II. The Society shall be divided into eight Sections for the purpose of Medical Improvement, and until otherwise ordered at some regular meeting, said Sections shall be as follows:

1. Anatomy and Physiology.
2. Medical Pathology, Clinical Medicine and Hygiene.
3. Obstetrics and Diseases of Women.
4. Chemistry, Pharmacy and Materia Medica.
5. Surgery and Dentistry.
6. Ophthalmology.
7. Psychology.
8. Microscopy.

III. Each Section will be expected to bring before the Society, at the meetings for Medical Improvement, any topic connected with its special department which the Section may, by special vote, decide to be of sufficient importance to be presented at a general meeting. Any such communi-

cation will take precedence of communications presented by individual members, unless especially ordered otherwise by the meeting.

IV. Each Section will be expected to report on any subject referred to it by a vote of the Society.

V. The Presiding officer will call for reports when due, at every meeting, immediately after the reading of the Records, in order to afford, if need be, an opportunity for subsequent discussion thereupon.

VI. At the second stated meeting of each year, the President shall nominate for each Section a Secretary, who shall attend to its formation and preliminary organization, and at every meeting of the Society opportunity shall be given for members to enrol their names in any Section or Sections they may select.

VII. Each Secretary shall, as soon as possible, send a report of the organization of his Section to the President of this Society.

EXPENSES.

VIII. The amount of taxes annually refunded by the Treasurer of the Massachusetts Medical Society shall be applied to the payment of the current expenses of the Society; and any excess of expenditures over said amount shall be assessed equally upon all the members.

MEETINGS.

IX. There shall be two stated meetings annually. The first, which shall be the Annual Meeting, shall be held on the last Saturday in April of each year, unless otherwise ordered by vote of the Society; the second shall be held on the last Saturday in October.

X. Special meetings may be called by the President, or on the written application of seven members.

XI. Ten members shall constitute a quorum at any meeting.

XII. Social meetings, and meetings for medical improvement, shall be held as frequently as the Society may, from time to time, determine.

XIII. Notices of stated and special meetings shall be given by the Secretary, by a printed notice sent to each member.

ELECTION OF OFFICERS.

XIV. At the Annual Meeting, there shall be chosen, by ballot, a President, Vice-President, Secretary, Treasurer, Librarian, a Committee on Social Meetings, and two members, who, together with the foregoing officers, shall act as a Committee of Supervision. At this meeting shall also be chosen one Councillor, to act as a member of the Nominating Committee of the Council, at its Annual Meeting. A Reporter shall also be chosen, who shall report to the Massachusetts Medical Society any matter of interest in the proceedings of the meetings for medical improvement, or in the medical history of the District during the year. At the same meeting shall be chosen, also by ballot, five Censors, the Councillors, and a Commissioner of Trials, for the Massachusetts Medical Society for the subsequent year.

XV. There shall be chosen annually at the stated meeting in October, a Committee of five, who shall prepare a list of candidates for Officers of the Society, a list of Councillors for Suffolk District, five Censors, and a Commissioner of Trials; and the chairman of said committee shall, on or

before the second Wednesday in March, enclose a copy of said lists to the Secretary of the Society, who shall cause printed copies of the same to be distributed at the next Meeting for Medical Improvement.

THE OFFICERS.

XVI. The President, Vice-President, and Librarian, shall perform the duties usually devolving upon such officers, and such other duties as shall be assigned to them.

XVII. In case of the absence of the President and Vice-President from any meeting, a chairman shall be chosen to preside at the meeting.

THE SECRETARY.

XVIII. The Secretary shall attend, and keep a record of all the meetings of the Society. He shall keep one book of records of the stated and special meetings, and another book of records of the transactions of the meetings appointed for medical improvement. He shall also have in his custody a copy of the By-Laws of the Massachusetts Medical Society, for the signature of those becoming members of that Society, and shall perform all the duties required of Secretaries of District Societies by the said By-Laws.

XIX. At each stated meeting, he shall announce the names of all who have in any way become members of this Society, and any other changes which may have occurred by removal from this District, since the previous stated meeting. As soon as practicable after the annual meeting, he shall report any changes that may be necessary to make the By-Laws of the Society harmonize with those of the Massachusetts Medical Society.

XX. He shall announce the names of the Secretaries of Sections at a meeting of the Society subsequent to their appointment by the President.

XXI. He shall act as the official medium of communication between the Society and said Secretaries.

SECRETARIES OF SECTIONS.

XXII. Each Secretary of a Section shall call meetings of his Section, and keep in a book, provided for the purpose, a record of such meetings. He shall also have a book for the enrolment of names of those members of the Society who wish to join the Section—which document shall be open for inspection at every meeting of the Society.

XXIII. He shall attend to duties mentioned in articles VI. and VII., and to any others naturally devolving upon him.

THE TREASURER.

XXIV. The Treasurer shall perform all the duties required of the Treasurers of District Societies by the By-Laws of the Massachusetts Medical Society; he shall have the charge of the fiscal concerns of the Society, and shall keep an account of the receipts and expenditures, and present it at the Annual Meeting, when a committee shall be chosen to examine it.

XXV. The records and accounts of the Secretary and Treasurer shall be subject to examination by the Society, whenever they judge proper.

COMMITTEE OF SUPERVISION.

XXVI. The Committee of Supervision shall have a general superintendence over all the affairs of the Society.

XXVII. No discussion or vote involving the expenditure of the funds of the Society shall be allowed at any other than at a stated or special meeting.

AMENDMENT OF BY-LAWS.

XXVIII. This Society shall, at its discretion, incorporate into its By-Laws, as soon as practicable at a stated meeting, by a majority vote, the substance of any vote or resolution passed by the State Society, and affecting the duties, rights or privileges of this Society, or of any of its officers; provided that notice of such intended action be given in the call for the meeting. Otherwise these By-Laws may be amended by an affirmative vote of two thirds of the members present at any stated meeting, provided that the amendment is proposed in writing at the previous stated meeting, and notice of the same sent by the Secretary to each member of the Society.

XXIX. Any of the foregoing By-Laws may be suspended at any stated or special meeting by a unanimous vote of the members present, provided that such suspension shall in no way interfere with the requirements of the By-Laws of the Massachusetts Medical Society.
