### BY-LAWS—Chapter X—Miscellaneous

Section 1. No address or paper before  
the society, except those of the presi-  
dent and orators, shall occupy more than  
twenty minutes in its delivery; and no  
member shall speak longer than five  
minutes, nor more than once on any  
subject except by unanimous consent.

Sec. 2. All papers read before the so-  
ciety or any of the sections shall be-  
come its property. Each paper shall be  
deposited with the secretary when read.

Sec. 3. The deliberations of this so-  
ciety shall be governed by parliamentary  
usage as contained in Robert's Rules of  
Order, when not in conflict with this  
Constitution and By-Laws.

Sec. 4. The Principles of Medical Ethics of the American Medical Association shall govern the conduct of members in their relations to each other and to the public.

Each member in attendance at the annual session shall enter his name on the registration book, indicating the component society of which he is a member. When his right to membership has been verified, by reference to the roster of his society, he shall receive a badge, which shall be evidence of his right to all the privileges of membership at that session. No member shall take part in any of the proceedings of an annual session until he has complied with the provisions of this section.—By-Laws, Chapter 1, Sec. 3.

Any county society which fails to pay its assessment, or make the report required, on or before the first day of April, shall be held as suspended, and none of its members or delegates shall be permitted to participate in any business or proceedings of the society or of the House of Delegates until such requirements have been met.—By-Laws, Chapter IX, Sec. 14.
