

5886. Adulteration of milk. U. S. * * * v. Abraham J. Minkin. Plea of guilty. Fine, \$30. (F. & D. No. 347-c.)

On November 19, 1917, the United States attorney for the District of Columbia, acting upon a report by the health officer of said District, filed in the police court of the District aforesaid an information against Abraham J. Minkin, Duley, Md., alleging shipment by said defendant, in violation of the Food and Drugs Act, on September 18, 1917, and September 25, 1917, from the State of Maryland into the District of Columbia, of quantities of milk which was adulterated.

Adulteration of the article in each shipment was alleged in the information for the reason that it had been mixed and packed with a substance, to wit, water, which reduced and lowered its quality.

On November 19, 1917, the defendant entered a plea of guilty to the information, and the court imposed a fine of \$30.
