

**6293. Adulteration of milk. U. S. \* \* \* v. William Cashell. Plea of guilty. Fine, \$20. (F. & D. No. 437c.)**

On January 3, 1918, the United States attorney for the District of Columbia, acting upon a report by the health officer of said District, filed in the police court of the District aforesaid an information against William Cashell, Silver Spring, Md., alleging shipment by said defendant, in violation of the Food and Drugs Act, on November 20, 1917, from the State of Maryland into the District of Columbia, and the introduction into said District, of a quantity of milk which was adulterated.

Adulteration of the article was alleged in the information for the reason that it had been mixed and packed with a substance, to wit, water, which reduced and lowered its quality.

On January 3, 1918, the defendant entered a plea of guilty to the information, and the court imposed a fine of \$20.
