

said company, in violation of the food and drugs act as amended, on or about June 18, 1923, from the State of Mississippi into the State of Alabama, of a quantity of butter which was misbranded. The article was labeled in part: "1 Lb. Net Weight."

Examination by the Bureau of Chemistry of this department of 119 packages of the article showed an average net weight of 15.25 ounces.

Misbranding of the article was alleged in the information for the reason that the statement, to wit, "1 Lb. Net Weight," borne on the packages containing the article, was false and misleading in that the said statement represented that the packages contained 1 pound net of butter, and for the further reason that it was labeled as aforesaid so as to deceive and mislead the purchaser into the belief that the said packages contained 1 pound net of butter, whereas each of the said packages did not contain 1 pound net of butter but did contain a less amount. Misbranding was alleged for the further reason that the article was food in package form and the quantity of the contents was not plainly and conspicuously marked on the outside of the package.

On September 22, 1925, a plea of guilty to the information was entered on behalf of the defendant company, and the court imposed a fine of \$25.

13845. Adulteration and misbranding of butter. U. S. v. 15 Tubs of Butter. Consent decree of condemnation and forfeiture. Product released under bond or upon deposit of collateral. (F. & D. No. 20499. I. S. No. 7142-x. S. No. E-5496.)

On September 30, 1925, the United States attorney for the Southern District of New York, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for said district a libel praying the seizure and condemnation of 15 tubs of butter, remaining in the original unbroken packages at New York, N. Y., alleging that the article had been shipped by the Milton Creamery Co., Milton Junction, Wis., on or about September 19, 1925, and transported from the State of Wisconsin into the State of New York, and charging adulteration and misbranding in violation of the food and drugs act.

Adulteration of the article was alleged in the libel for the reason that a substance deficient in butterfat and containing excessive moisture had been mixed and packed therewith so as to reduce, lower, or injuriously affect its quality or strength and had been substituted in whole or in part for the said article.

Misbranding was alleged for the reason that the article was offered for sale under the distinctive name of another article.

On October 13, 1925, the Milton Creamery Co., Milton Junction, Wis., claimant, having admitted the allegations of the libel and having consented to the entry of a decree and to the reconditioning of the product so that it should contain at least 80 per cent of butterfat, judgment of condemnation and forfeiture was entered, and it was ordered by the court that the product be released to the said claimant upon payment of the costs of the proceedings and the execution of a bond in the sum of \$450, or the deposit of collateral in like amount, to insure compliance with the decree, said decree providing further that the product be reworked and reprocessed under the supervision of this department.
