

15692. Misbranding of butter. U. S. v. 25 Cases of Butter. Decree of condemnation and forfeiture entered. Product released under bond. (F. & D. No. 22661. I. S. No. 23285-x. S. No. 625.)

On or about February 15, 1928, the United States attorney for the Eastern District of Louisiana, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for said district a libel praying seizure and condemnation of 25 cases of butter, remaining in the original unbroken packages at New Orleans, La., alleging that the article had been shipped by the Sunlight Produce Co., Neosho, Mo., on or about January 30, 1928, and transported from the State of Missouri into the State of Louisiana, and charging misbranding in violation of the food and drugs act as amended. The article was labeled in part: (Carton) "One Pound Net Sunlight Creamery Butter."

It was alleged in the libel that the article was short in weight and was misbranded, in that the statement, "One Pound Net," borne on the label, was false and misleading and deceived and misled the purchaser, and for the further reason that it was food in package form and the quantity of the contents was not plainly and conspicuously marked on the outside of the package.

On February 24, 1928, the Sunlight Produce Co., Neosho, Mo., having appeared as claimant for the property and having admitted the allegations of the libel, judgment of condemnation and forfeiture was entered, and it was ordered by the court that the product be released to the said claimant upon payment of the costs of the proceedings and the execution of a bond in the sum of \$700, conditioned in part that it be reshipped to the claimant to be reworked and reconditioned in compliance with the law, and not be sold or disposed of until inspected by a representative of this department.

15693. Adulteration and misbranding of butter. U. S. v. 10 Cubes of Butter. Consent decree of condemnation and forfeiture. Product released under bond. (F. & D. No. 22716. I. S. No. 24387-x. S. No. 724.)

On March 29, 1928, the United States attorney for the Southern District of New York, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for said district a libel praying seizure and condemnation of 10 cubes of butter, remaining in the original unbroken packages at New York, N. Y., alleging that the article had been shipped by the Mutual Creamery Co., Grand Junction, Colo., on or about March 15, 1928, and transported from the State of Colorado into the State of New York, and charging adulteration and misbranding in violation of the food and drugs act.

It was alleged in the libel that the article was adulterated in that a substance deficient in butterfat had been mixed and packed therewith so as to reduce or lower or injuriously affect its quality or strength and had been substituted wholly or in part for the said article.

Misbranding was alleged for the reason that the article was offered for sale under the distinctive name of another article.

On April 11, 1928, the Mutual Creamery Co., Grand Junction, Colo., claimant, having admitted the allegations of the libel and having consented to the entry of a decree, judgment of condemnation and forfeiture was entered, and it was ordered by the court that the product be released to the said claimant upon payment of the costs of the proceedings and the execution of a bond in the sum of \$400, conditioned in part that it be reworked so as to contain at least 80 per cent of butterfat.
