

29641. Adulteration of crab apples. U. S. v. 10 Bushels of Crab Apples. Default decree of condemnation and destruction. (F. & D. No. 43941. Sample No. 32790-D.)

This product was contaminated with arsenic and lead.

On August 30, 1938, the United States attorney for the Northern District of Illinois, acting upon a report by the Secretary of Agriculture, filed in the district court a libel praying seizure and condemnation of 10 bushels of crab apples at Chicago, Ill.; alleging that the article had been shipped in interstate commerce on or about August 23, 1938, by the Saugatuck Fruit Exchange from Saugatuck, Mich.; and charging adulteration in violation of the Food and Drugs Act.

Adulteration was alleged in that the article contained added poisonous or deleterious ingredients, arsenic and lead, which might have rendered it harmful to health.

On October 18, 1938, no claimant having appeared, judgment of condemnation was entered and the product was ordered destroyed.

M. L. WILSON, *Acting Secretary of Agriculture.*

29642. Adulteration of apples. U. S. v. 11 Bushels and 8 Bushels of Apples. Default decree of condemnation and destruction. (F. & D. Nos. 43898, 43937. Sample Nos. 32771-D, 32787-D.)

This product was contaminated with arsenic and lead.

On August 27 and August 29, 1938, the United States attorney for the Northern District of Illinois, acting upon reports by the Secretary of Agriculture, filed in the district court libels praying seizure and condemnation of 19 bushels of apples at Chicago, Ill.; alleging that the article had been shipped in interstate commerce on or about August 22 and August 24, 1938, by Nathan Tobias from Benton Harbor, Mich.; and charging adulteration in violation of the Food and Drugs Act. The article was labeled in part: "Erwin Weber R. 2 Benton Harbor, Mich.;" or "Adam Krause R 3 Benton Harbor, Mich."

Adulteration was alleged in that the article contained added poisonous or deleterious ingredients, arsenic and lead, which might have rendered it harmful to health.

On October 14 and October 18, 1938, no claimant having appeared, judgments of condemnation were entered and the product was ordered destroyed.

M. L. WILSON, *Acting Secretary of Agriculture.*

29643. Adulteration of apples. U. S. v. 25 Bushels of Apples. Default decree of condemnation and destruction. (F. & D. No. 43935. Sample Nos. 32783-D, 32784-D.)

This product was contaminated with arsenic and lead.

On August 29, 1938, the United States attorney for the Northern District of Illinois, acting upon a report by the Secretary of Agriculture, filed in the district court a libel praying seizure and condemnation of 25 bushels of apples at Chicago, Ill.; alleging that the article had been shipped in interstate commerce on or about August 23, 1938, by Chuck Miles from Benton Harbor, Mich.; and charging adulteration in violation of the Food and Drugs Act. The article was labeled in part: "Erwin Weber R-1 Benton Harbor, Mich."

Adulteration was alleged in that the article contained added poisonous or deleterious ingredients, arsenic and lead, which might have rendered it harmful to health.

On October 18, 1938, no claimant having appeared, judgment of condemnation was entered and the product was ordered destroyed.

M. L. WILSON, *Acting Secretary of Agriculture.*

29644. Adulteration of apples. U. S. v. 65 Bushels of Apples. Consent decree of condemnation with provision for release for removal of deleterious ingredients. (F. & D. No. 44348. Sample No. 32845-D.)

This product was contaminated with arsenic and lead.

On October 8, 1938, the United States attorney for the Northern District of Indiana, acting upon a report by the Secretary of Agriculture, filed in the district court a libel praying seizure and condemnation of 65 bushels of apples at Hammond, Ind.; alleging that the article had been shipped in interstate commerce on or about October 3, 1938, from Fennville, Mich., by Hoess Bros., to themselves at Hammond, Ind.; and charging adulteration in violation of the Food and Drugs Act.

Adulteration was alleged in that the article contained added poisonous or deleterious ingredients, arsenic and lead, which might have rendered it harmful to health.
