

9

July, 30 1862.

CIRCULAR ORDER.

Medical Directors of Divisions in this District are urged to use greater diligence and punctuality in collecting and transmitting to this office the sick reports from the Regimental Surgeons under their control. They will send in their monthly return of Medical officers officers in their Division or District at the end of each month.

The Surgeons of *Regiments* which are *detached* and *not serving with any Division* will transmit their *monthly* reports of sick *directly to me*, care of Surgeon E. SWIFT, Nashville, Tenn.

They must make a note in their monthly report of sick, giving the name of any Medical officers or contract Surgeon serving with their Regiment, and state whether present or absent.

R. MURRAY,

Surgeon U. S. A.,

Medical Director District of the Ohio.
