

# OPERATIONS

ON THE

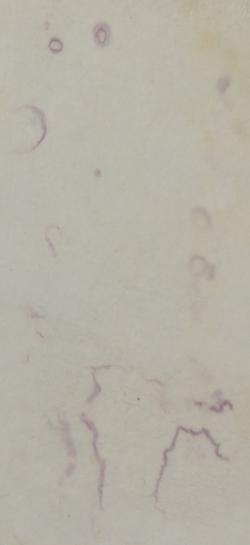

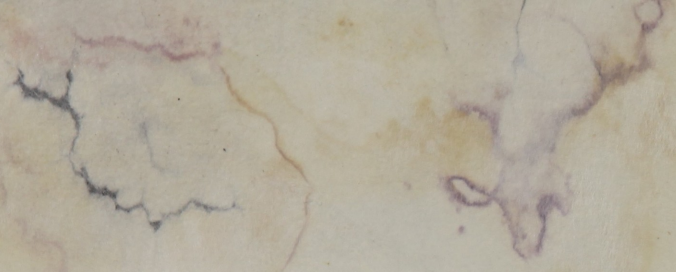

A. B. DOOLITTLE,

HAVING permanently located himself in **Plymouth**, for the practice of **DENTAL SURGERY**, in its various branches, would respectfully solicit the patronage of the citizens of this and adjoining towns which he proposes to visit periodically in his professional capacity. He will perform all operations in the most approved manner and warrant every operation according to his representation at the time of performance.

Particular attention paid to diseases of the mouth, Irregularities of the Teeth, &c., &c.

A. B. D., would base his reputation as an operator upon the testimony of those who have favored him with their patronage, to whom he would respectfully refer.

PLYMOUTH, April, 1841.

Faint, illegible text, likely bleed-through from the reverse side of the page.
