Dear Dr. Lederberg:

Our mails have become so erratic that I am sending this certified letter. I appreciated your inquiries of September 22, 1972. Now I inquire: Did you ever receive the reply (3 pages) plus enclosures that I mailed you on September 28, 1972? One of the enclosures, the snapshot of Avery is irreplaceable. The others I can reproduce if my correspondence failed to reach you. Please let me know the answer.

Sincerely,

Alvin F. Coburn M. D.
