Dear Dr. Bush:

I am very glad to receive a copy of your report to the President. I have read this report with great interest, and with complete approval.

The only suggestion which I wish to make now refers to the reference to me in Appendix I. I am not in the habit of using my middle initial; moreover the titles attached to my name are not given quite correctly in the copy of the report sent to me. May I suggest that use be made of one of the following forms:

Dr. Linus Pauling,
Chairman of the Division of Chemistry and
Chemical Engineering and Director of the
Gates and Orrellin Laboratories of Chemistry
at the California Institute of Technology

Dr. Linus Pauling,
Head of the Division of Chemistry and
Chemical Engineering and Director of the
Chemical Laboratories at the California
Institute of Technology

Dr. Linus Pauling,
Professor of Chemistry at the California
Institute of Technology

Sincerely yours,

LP:gw

Linus Pauling
