Attendance at Council Meeting, August 12-13, 1966

The lists submitted by you of "essential" and "desirable" candidates for attendance at the next meeting of the Council have been received and considered. With expansion of the Division staff and the need to begin limiting attendance, it is not possible to accommodate all of the individuals on your list, and yet it is important that new staff members be oriented to the activities of the Council. A number of those whose attendance has been designated as "desirable" have had to be eliminated. The following from EEMF will be authorized to attend:
