JULY/AUGUST 1974 REVIEW

The Albany application requests support (\$541,437) for ten new projects. All are consistent with the goals and objectives of the program, and are targeted toward identified needs of the Region. Three of the ten projects are proposed for support beyond 6/30/75. Each activity proposed has identified other sources of support to compliment the RMP funds.

There are no funded CHP-b agencies in the Region.
