5/30/73 Letter Giving 6/30/74 as End Date for RMPs

DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE PUBLIC HEALTH SERVICE HEALTH RESOURCES ADMINISTRATION Rockville, Maryland 20852

SEP 2 0 1973

BUREAU OF HEALTH SERVICES RESEARCH AND EVALUATION

TO: COORDINATORS, GRANTEE OFFICIALS AND RAG CHAIRMEN OF REGIONAL MEDICAL PROGRAMS REGIONAL DIRECTORS, DHEW

This letter is to state explicitly that the authorized lifetime of the Regional Medical Programs Services and of all individual Regional Medical Programs is June 30, 1974, in accord with the recent legislation which extended the program through FY 1974. Current policy is that no expenditures of grant funds can be made beyond that date.

With reference to my letter of September 7, 1973, awards will be made October 1 from the current allotment of \$17.1 M to assure viability of RMPs through December 31, 1973. If additional funds are allotted to RMPS from the \$46.4 M released by the Office of Management and Budget, RMPS plans to issue continuation awards for the period January 1 through June 30, 1974. If additional funds are not released, RMPs may continue on through June 30, 1974 from previously awarded funds. You should note that awards will continue to have termination dates other than June 30, 1974 until continuation awards are issued on January 1. For planning and operational purposes, however, termination dates shown on your existing awards are to be disregarded and every effort made by you to assure continuity of operations through June 30, 1974.

For those of you who received the September 7 letter with accompanying Application Instructions for FY 1974, you will find modifications to those instructions, previously conveyed to you by our operations personnel, are contained in the enclosed errata sheet.

Sincerely yours,

Herbert B. Pahl

Herbert B. Pahl, Ph.D. Acting Director Regional Medical Programs Service
