Herbert B. Pahl, Ph.D.
Acting Director, DRMP

Acting Deputy Director, DRMP

BHRD Organization and Functions Flyer

The attached proposal, BHRD Organization and Functions Flyer, I have asked Ken Baum, John Land and Tom Simonds to review ~~it~~. I agree with their concerns that DRMP be shown as a Division within BHRD at this time, ~~in~~ view of pending legislation, the intent to form a new Bureau, and the fact that RMP is officially under BHSR which Bureau has been funded the direct operational costs of DRMP.

As is indicated in the comments from our staff, DRMP appears to be an "add on" and ~~many~~ ^{most} emphasis placed on manpower activities. Ken pointed out that the functional statement used by them is no longer appropriate and certainly will be in conflict with the existing court order.

If you concur, I will inform Frances Dearman of this position.
