Dear Dr. Lederberg:

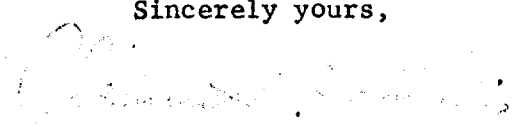

This is to inform you that the recent hearings on chemical-biological warfare held by the Subcommittee on National Security Policy and Scientific Developments in which you participated have now been issued. A copy is being sent to you under separate cover.

I also want to take this opportunity to express my appreciation to you for your fine contribution to the subcommittee's consideration of this important issue. We have had an unusually large demand for the printed CBW hearings as a result of the quality of testimony given by you and other witnesses.

It is the intention of the subcommittee to issue its own report on CBW in the near future, drawing on the information and judgments presented during the hearings. A copy of that report will be sent to you when it is published.

With best wishes, I am

Sincerely yours,

Clement J. Zablocki, Chairman
Subcommittee on National Security
Policy and Scientific Developments
