

Aug 21

Dear Josh:

Here's the MS, I hope
in not too bad shape. The
other copy is off to Warwick,
with a query on proof and
reprints. Presumably there
will be time for you to
make any changes you feel are
vital.

Hope you and Esther
had (or are having) a fine
vacation.

We plan on starting
ours Mon. — then Sept 8

Yours, in haste

Ed
