Josh,

Yesterday visiting with
Law Thomas to brief him on
the enclosed event - he mentioned
how you, he & Ted Cooper meet
in trying to coordinate the efforts
of three great institutions -

In any event it gives me a
chance to say hello by mentioning
you to our Mission Strategy seminar,
and letting you know the sort
of things I've been doing to
productively spend my time until
my 20 years are completed. This
coming June I can "retire"
Congratulations on yours

post as head of Rockefeller University
I hope our paths cross soon
again. If I can ever be of
assistance in the never never land
of health politics please call on
me.

Best wishes
Best

P.S.

Come!!

PPS and help!!!
