Dr. Joshua Lederberg
 Department of Genetics
 Stanford University Medical Center
 Stanford, California 94305

Dear Doctor Lederberg:

It is a pleasure to respond to your inquiry of October 9th concerning materials relative to your original application for a fellowship with this Fund. We are enclosing:

- (1) a pertinent letter from Dr. Tatum (we have cleared the transmittal of this with Dr. Tatum;
- (2) a letter of reference from your mentor, Dr. F. J. Ryan, whom I understand is deceased;
- (3) in your file we found copies of two brief summaries entitled "A Nutritional Concept of Cancer" and "A Model for Neoplastic Growth on the Basis of Somatic Mutation."

As we have retained the originals of all this material you are welcome to keep the copies forwarded herewith.

With kind regards,

Sincerely yours,

L. L. Waters, M.D.
 Director
