Professor John Moore  
Department of Life Sciences  
University of California  
Riverside, CA 92502

Dear Professor Moore:

The post office returned Eric's letter to Professor Pollister one day last week. The following day I received a call from Marion Hines, who told me that both the Pollisters are in poor health and that they had moved to Pennsylvania next to their son, who could help care for them. Their address is:

311 Broad Street  
Harleysville, PA 19438

Best regards,

Sincerely,

*Jeanne Walters*
