Dear Frits and Ida:

Will you be free on Sept. 13/14?

SAS

I must be in Stockholm for ~~xx~~ a conference starting Mon. morning the 15th, and I was thinking of taking the polar flight via Seattle direct to Copenhagen which arrives Saturday afternoon (details confirmed below), then spend the next day in a pleasant combination of recovering from the journey (and the time shift) and briefly visiting my old friends, before going on to Stockholm Sunday evening.

If this ~~ix~~ comes at an inconvenient time for you, I will probably ~~just go straight on to Stockholm Saturday night.~~

~~I hope it will be Copenhagen, but could I ask you to book a hotel reservation (which I will of course guarantee) either in Copenhagen or in downtown Stockholm~~

either leave a day later, or stop over elsewhere, I am not sure yet where. Would you then book a room for me in Copenhagen, (possibly best if convenient to the airline terminal in town) if you can give me the good news that it would be feasible to see you Saturday night ~~for~~ or Sunday.

Please do not think it necessary to meet my ~~at the~~ plane; but do send me your telephone number(s) so that I can call you from the hotel(that you name)

best personal
