Dr Federberg,

I stopped by hoping to catch you but no luck...

The scoop - just finished my first year at Columbia P+S. !  
Love it. I'm on a 3 week

trip around California + Oregon but am returning this Monday.

I may be able to get back to Stanford but doubt it...

Hopefully I'll get a chance to drop by at Rockefeller, hopefully with some advance notice.

Best wishes and good luck.  
I look forward to seeing you.
