Dear Josh:

Thanks to you, I met with several members of Fred Lehmann's team in the Development Office. I really appreciate your remembering that I am available for this kind of work. In fact, I think I would be able to make a contribution and I sincerely hope that something will come of that meeting.

Fred Lehmann did say he thought it would be appropriate to plan to talk again early in June. So far I have not heard from him but I am hoping! I do feel a strong sense of identification with Rockefeller, because you are there I'm sure.

Meanwhile, I want to thank you very much for your thoughts and efforts on my behalf.

Sincerely,

Sylvia
