Thanks you for the report. Our library is rather sketchy outside of biomed. sci., and I appreciate the convenience - esp. when you had the trouble + expense of securing (at least a local) copy.

Sorry, I could not decipher I am still a dabbling partner with Harriet Zuckerman (see eval.) but am much more a student (intent on useful applications in my present role) than a primary investigator.

P.S. I vividly recall being examined on Wegener in my
