

Memo from _____
JOSHUA LEDERBERG

To: Dr Loop

NOV 19 1971

Radietus

Please favor me
with a copy of:

NEJM 284:386.
2/4/71

Do you know of any other
studies on cost - effectiveness
of radiography?

Isn't it worth \$5000 (4/34 X-rays
to find a fracture ~~or~~ not otherwise
detected?

On the other side, how many
genetically and cancer - significant
rems are also involved!

(at \$100/rem does this change

the calculus?
