Dear Dr. Lederberg:

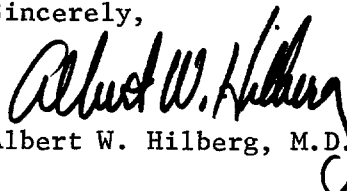

Attached is a copy of the notice for the meeting of the Genetic Effects Subcommittee, which will be held at Stanford.

Dr. McConnaughey and I plan to arrive mid-afternoon, May 19. If you have been able to reserve hotel rooms for us, I would appreciate hearing from you so that we may check in upon arrival.

As you will note in the attached memorandum, I have scheduled the meeting to begin at 9 a.m. in order to allow the committee an hour for its business before you meet with them at 10 a.m.

I want to thank you for accommodating this committee meeting and if there is anything further that I should relay to committee members prior to the meeting, please let me know.

Sincerely,

Albert W. Hilberg, M.D.
