Dear Professor Lederberg,

Rules and regulations being what they are, I have been asked to call your attention to the clause in the Institute's new Articles of Association, which instructs me, at this time of the year, to ask you formally whether you wish to stand for re-election as a member of our Board of Governors.

Having done the formal part, I take the liberty of adding informally, that I much hope your answer will be 'yes'. The Board needs people like yourself - who contribute to and stimulate the people and activities of the Institute.

I look forward to hearing from you.

Kind regards,  
Yours sincerely,  
Lord Sieff of Brimpton
