Dear Dr. Lederberg,

Thank you for your telegram and your memo. I am very sorry that you cannot accept the Heath Clark Lectureship but quite understand the pressures which prevent you. It would indeed be a great pleasure to have you here for a week or so and if you are to be in London for any reason please let me know so that we can take advantage. We could certainly contribute to your expenses to lengthen your stay. The longer warning you can give me of any such visit, the better use we could plan to make of it. I shall look forward to seeing you then.

Kind regards.

Yours sincerely,

Dr. Joshua Lederberg,
