Dear Dr. Lederberg:

Enclosed please find a copy of the draft prospectus for the Drug and Vaccine Development Corporation. We are scheduling a meeting of the DVDC Advisory Board for August 11 to discuss the prospectus and the next steps for implementation of the DVDC. Although I understand that you will be out of town on that date, I would be most grateful if you could read the draft prospectus sometime in the next month and communicate your comments to me. Your perspective and insight, even if in absentia, would be most valuable to other members of the Advisory Board. ✓

Thank you in advance for your assistance, and I look forward to receiving your comments.

Sincerely,

M. Susan Ueber Raymond, Ph.D. ✓  
Director, Pharmaceutical Programs
