PRESIDENT

Mr. David Rockefeller
Room 5600
30 Rockefeller Plaza
New York, New York 10112

Dear David:

Thank you so much for extending yourself on my behalf, and making it possible for me to attend the dinner with the Trilateral Commission. The occasion made it possible for me to catch up with Bob McNamara for an extended discussion to which I had been looking forward; and of course the presentation by Mac Bundy was on a matter of a very deep general and personal interest. In fact I was in Washington spending two days at the Pentagon on matters not very far removed therefrom.

I do hope that your responding to my request did not put you in any embarrassment, and again my thanks to you for having made possible a most interesting and productive evening.

Yours sincerely,

Joshua Lederberg

P. S. Your invitation - most welcome - for 22 May has just been received and we happily accept (as also communicated to your office by phone.
