Dear Dr. Lederberg,

Thank you very much for inviting me to the Rockefeller University Council meeting on nutrition, June 12th. That is my father's birthday and I was planning to be ~~to~~ in town anyway so it will work out perfectly. This is a subject which interests me very much as you know and I appreciate your thinking of me.

Might I bring one other person? She is a nutritionist herself and I think would be very interested. No need to reply if this is all right.

I look forward to seeing you on the 12th and hope we can discuss your thoughts on Norman Cousins' book further along with other topics of mutual interest.

All the best,

Eileen
