Dr. Waclaw Szbalski
McArdle Laboratory
for Cancer Research
University of Wisconsin
Madison, Wisconsin 53706

Dear Waclaw:

Of course I am in favor of ending all regulations, since even in their minor form they are a nasty nuisance with regards to grants, etc. I suspect, however, that you should best also get some fifteen to twenty prominent names, of which I would gladly join to sponsor the proposal.

With best regards,

J. D. Watson
Director
