

Memo/Reply From
JOSHUA LEDERBERG

TO: Dave Bobrow

MAY 22 1979

Announced as Defense Policy

It may be time to write a history of the idea of this kind of bargaining.

I don't know if you'll find it in Clausewitz. It was certainly absent at the Casablanca Conference (and Unconditional Surrender Doctrine). Kees Kemeti may be the author of the postwar revival/invention...? But of course it was the Bomb that compelled it. Have you ever thought of such an enterprise?
