Dear President Lederberg:

On this day of your assuming  
your official duties as 5th. President of  
the Rockefeller University, please accept  
my hearty congratulations. I hope that in  
the near future I may have the opportunity  
to visit your University (as I was a fellow  
at the Princeton Institute with Dr. Stanley  
in 1945-1947).

Best wishes & <sup>congratulations!</sup>

Sincerely yours,
