After Romney:

Terman heard again of my interest
He would find a new plot...

in re Romney. Got me here.

(Johnson if could
I helped get DiCassini)

"got us to lunch to meet DiCassini"
"By end of lunch we got DiCassini"

In those days, no great formality
Protest was building for best unity possible
"was vote out of restrictions."

Barber committee had no set of restrictions!
"We did get a long list of names of leading
businessmen" kept daydreaming.

How good a man is, not how available
Infinity maybe - bypass if they
didn't think they could

Didn't understand how it operated
frustrated or annoyed faculty.

Good UP Enough : shocked.

By end of war, campus was seething

can't + also history
(not able to do it)

Everybody was unhappy at that time.
Scientific: as well as history

Biology + Ecology + Psychology,

CU Taylor had built up a very strong dept.
(AHS * as index)

Stanford was 2d or 3d in # of stars.
Taylor

Tennon was able to get along with 'Trees'.

(800 people at Harvard)

Other people do not take an interest.

Learned how to handle different
situations, like President.

(Ted started getting)

Thought Tennon was a very good
did 'Tennon' him

Wally shortly after afterwards 15 years
could pass off a chapter on

Not so many papers. None in all writing.

Tennon had budgets.
