Williamis on conquest of
infectious disease

Dear Prof. Black

Could you help me track down
a ? Yale Prof. Williamis who
wrote a book on Inf. Disease in
the 1940's claiming she was was
older? Is there a Williamis listed
in I.D. faculty at that time?

Enclosed, a memento I found in
my files,

It came to me
that this is
C-E. A. Winslow

The conquest of
epidemic
disease.
1943.
