Personal Memo from
JOSHUA LEDERBERG

Peter.

Bombardier. P.S.

I found Mattie's 1956 Arm. Bt
20-623
in my files - which shows up part
of one girl's story. (I met her in
Adelaide in 1957 - must have dis-
covered the story then.)

I suppose Zickler perished in the
war. Did you ever hear?
