

Personal memo from
JOSHUA LEDERBERG

Neal Gorman ✓
Seattle

MAY 16 1988

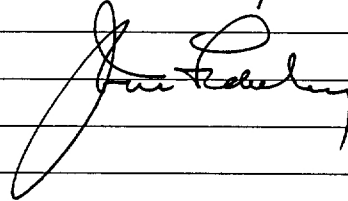

Episodic historical dabbling.
(Backs to your letter of 1973)

I'm returning to pre-history
for a paper at a Pasternak centenary
next month; and I noticed
how Backs'dale's account on
Freeman.

Does it give with your recollections?

I'll ask Backs'dale if he has any
documentation.

Sincerely,

266
