

Personal memo from

DEC 21 1987

Dear Bob -

That Fitz + the P+S deans
and myself had given even momentary
appreciation to an exception on my
behalf gives me as much satisfaction
as the consummated event.

I am well acquainted with all
the arguments for the legalists' position
and might well have voted for it if that
had been my privilege.

The message I want to be sure is
heard at the end of the day is that I am
ever in the deepest appreciation for what
I received from Columbia; and my disap-
pointment would be most of all at any indication
of conflicted feelings.

And how I do thank you for your effort!

J.
