E. C. Tatum & F. S. Ryan

Thank you for yours of April 4.

I was amused to learn about
Brand & Eysteinia. Did he publish
anything on it?

I am enclosing a diskette with the
full bibliography on Ed Tatum plus the
text of my memoir, appearing soon in
the NBS series.

Also some notes on Francis Ryan.
Also, there are no archives, beyond my
own personal correspondence with him.
There probably are fragments in the APS,
in other's files. Would you let me
know what you find?

Thank you for the other material.

Sincerely,

John Searby
