

187 West 11th Ave.

Columbus, Ohio

July 18

Dear Dr. Lederberg,

I am planning to arrive in Madison on the afternoon of Aug 1, and will be grateful if you can make an inexpensive room reservation for me, probably at your Union.

I would like to stay several days, and if you are interested, we might start work on meningococci together — they are not so frasy as some think. But that is the main subject I want your advice on.

Yours, Gordon Allen
