Professor J. Lederberg

Department of Genetics  
University of Wisconsin  
Madison 6, Wisconsin  
U.S.A.

Dear Lederberg-Sensei:

I am planning to reach Madison at pm. 2:41 on Feb. 2, 1958. by N.C.A. Flt. No.121 according your suggestion dated Jan. 15, 1958. This is the earliest plan that I could travel by air : for it is necessary to get the dollar assignment of the increased cost , about \$ 100, from the government offices concerned.

In this plan, I leave Tokyo at 9:30 pm. Jan. 31, via. San Francisco at 9:30 am.-- 11:30 pm. on Feb. 1 and Chicago at 9:53 am. --1:30 pm. and arrive at Madison 2:41 pm. on Feb. 2.

Now I am pleasing to meet you at Madison on that day.

Please give my best regards to Mr. T. Iino and other members in your laboratory.

Yours very truly,

Yukinori Hirota.
