Dr. Joshua Lederberg
Genetics Department
University of Wisconsin
Madison, Wisconsin

Dear Dr. Lederberg:

I plan to be on the campus of the University of Wisconsin during the week of June 13th. Sometime during that week, I would like to visit with you for the purpose of discussing some problems relating to microbial genetic studies. Upon arrival, I will contact you in order to arrange a definite date and time.

I hope a visit with you will be possible and that it will not cause you a serious inconvenience.

Yours truly,

J. L. Apple
Asst. Professor

JIA/jdc

? did I know
him in NY?
