DAVID W. BROWN  
COUNSEL  
  
COMMITTEE ON  
SCIENCE AND ASTRONAUTICS

**Congress of the United States**  
**House of Representatives**  
**Washington, D.C. 20515**  
July 8, 1969

Professor Joshua Lederberg  
Department of Genetics  
Stanford University School of Medicine  
Stanford Medical Center  
300 Pasteur Drive  
Palo Alto, California 94304

Dear Dr. Lederberg:

Thank you for your note. I do believe that the breakfast was very successful and that the presentations will have an impact on the Members and their staffs who were present.

The vote in the Committee of the Whole showing a little over 100 Members to be present is unfortunately quite customary. Only in the most extraordinary situations do the Members remain to participate in discussion when the House goes into Committee.

Sincerely,

  
Edward I. Koch

EDW. I. KOCH
