JAN 31 1978

Thank you for the handshake!

We can't move till September.
But yes, it would be fun to
reconnect; and our families
too! Our little girl is only
4 (soon) but she gets along
very well with "older kids"!

So I'm glad I have your phone
number; I'm sure I'll be
seeing a lot of your wife's father
in any case.

Joan,

J.M.
