Hon. Mr. Justice Clyne

Did I read your note to imply  
that you had (quite recently)  
sounded him about joining the  
Council?

If so and if he had shown a  
positive inclination I would certainly  
want to bring his name back to  
the Nominating Committee! Please  
advise.

I am so very pleased you have  
agreed to join our group of friends.

All best wishes,

John.
